# Login with the credentials that have been given to your child

Email: Type your child's school email address and click 'Next'

Password: Type your child's password and click 'Sign in'

The image shows a screenshot of the RM Unify login interface. The top left features the logo "RM Unify" with the tagline "Your Launch Pad to the Cloud". The main heading is "Sign in" next to a blue icon of a computer monitor with a cursor. Below this, there are two input fields: "Username or Email Address (required)" and "Password (required)". The first field contains the text "Enter the username or email address" and "@glade.redbridge.sch.uk". The second field is filled with dots and has an eye icon to its right. Below the password field is a link that says "I have forgotten my password". There is a checkbox labeled "Remember me" which is currently unchecked. A large green button labeled "Sign in" is positioned below the form. At the bottom of the form area, there is a link that says "Find out about RM Unify". To the right of the login form, there is a section titled "@RMEducation Tweets" containing three tweets from "RM Education @RMEducation". The first tweet is dated "5 Jan, 09:02 am" and discusses technology and cloud-based systems. The second tweet is dated "4 Jan, 03:06 pm" and discusses lesson planning. The third tweet is dated "4 Jan, 08:45 am" and discusses the new version of RM Easimaths. Each tweet includes an "Expand" link and icons for retweeting and favoriting.

Now you will see your child's class. Click on your Child's class.

Now you will be able to see your child's virtual classroom where you will be able to check work that has been uploaded by the teacher and your child will be able to communicate with their teacher.

The screenshot shows a user interface for a virtual classroom. At the top left, there is a hamburger menu icon followed by the text "2B". To the right of this are four navigation tabs: "Stream", "Classwork", "People", and "Marks". The "Classwork" tab is currently selected and highlighted with an orange underline. Below the navigation is a large red header banner. On the left side of the banner, the text "2B" is displayed in large white font, with "Class code m7i6623" and a QR code icon below it. On the right side of the banner, there is a colorful illustration of a teapot and a teacup. Below the illustration, the text "Select theme" and "Upload photo" is visible. Below the banner, there are two main sections. On the left is a white box titled "Upcoming" with the text "No work due in soon" and a "View all" link. On the right is a white box with a person icon and the text "Share something with your class..." followed by a refresh icon. Below this is another white box titled "Communicate with your class here" which contains two options: "Create and schedule announcements" with a speech bubble icon, and "Respond to student posts" with a list icon.
