

## Glade Primary School Sports Funding Allocation 2019-2020

### Aims of Sports Funding:

1. **The engagement of all pupils in regular physical activity.**
2. **The profile of PE and sport raised across the school as a tool for whole school improvement.**
3. **Increased confidence, knowledge and skills of all staff in teaching PE and sport.**
4. **Broader experience of a range of sports and activities offered to all pupils.**
5. **Increased participation in competitive sport.**

### **These key aims will be achieved by:**

- developing confidence in all staff with the teaching and assessing of PE across the school through ongoing CPD and specialist coaches to teach alongside class teachers.
- using specialist coaches to provide instruction to students allowing children to experience a wider range of sports.
- continuing to provide a range of extra-curricular sporting activities available to children free of charge.
- continuing to update P.E equipment and apparatus to ensure that staff have all they need to teach outstanding lessons.
- continuing to develop intra and inter sport competition across the school.
- continuing to promote competitive sport outside of school.
- developing active events at lunchtime.
- promoting the importance of a healthy lifestyle for all pupils – including ‘Funtrition’ lessons for year 2, the annual ‘Well-being Week’ and achieving Healthy Schools status.
- continuing to develop the role of sports leaders in each class and Junior Travel Ambassadors (JTAs) in year 5 and 6.
- regular assemblies to promote active events.
- booster swimming sessions for children in year 5 and 6 who did not achieve 25m in year 4.

### **Main Performance Indicators (expressed in terms of impact on pupil’s learning/progress where possible)**

- A reported increase in confidence amongst staff in the teaching and assessing of PE. Evidence of pupils making progress as a result.

- Staff aware of and knowing how to effectively use range of apparatus and sporting equipment to develop children’s learning.

- More pupils attending a wider variety of sporting clubs offered before and after school, thus improving and developing their skills and knowledge and leading to greater academic attainment.

- Children will understand the importance of a healthy lifestyle and how to achieve this.

- The development of all pupils’ physical, social and cognitive skills through PE.

- The development of all pupils’ understanding of competitive sport both inside and outside of school and their enhancement of their skills when involved in such.

- Sports Leaders and JTAs show increased self-esteem and positive image.

- Improved behaviour at lunchtime as reported by midday assistants.

All of this is linked through Glade Primary School's vision for P.E:

"P.E provides opportunities for pupils to be creative, competitive and to face up to different challenges as individuals, in groups and in teams. It promotes positive attitudes towards active and healthy lifestyles."

| <u>Active Extra-Curricular Opportunities 2019/2020:</u> |              |
|---|--------------|
| Multi-sports  | Cheerleading |
| Cycling   | Gymnastics   |
| Football (including girls' football)                    | Cricket      |
| Rounders  | Netball      |
| Karate  | Dance        |
| Badminton   | Basketball   |

#### Whole School Approach

- Two hours of curriculum P.E per week.
- Take 10 used as necessary.
- Annual whole school games day.
- Annual whole school well-being week.
- Involvement from children across school in borough competitions.
- Inclusion of SEND children in competitions.
- Entrance into borough football league.
- Children from across school given opportunities as sports leaders/supporting at sports events.
- Effective deployment of midday staff to encourage active playtimes.
- Active travel to and from school promoted and encouraged.
