Dear Parents and Carers,

Mental Health & Wellbeing

You may have heard about the Redbridge Educational Psychology Service. They are now offering some parent workshops to unite parents of children with SEND and also some to promote mental health and wellbeing for the whole family. Please follow the link below to find out more about this crucial service in our borough:

<https://www.redbridge.gov.uk/schools/educational-psychology-service/>

I have also found a booklet on managing social media which aims to highlight some key social media issues and offers advice and guidance on how to minimise the impact of social media on a young person's mental health. The booklet was written by Louisa Rose, a Parent Champion at the Anna Freud Centre, working with centre staff with feedback and input from the centre's young champions:

West Ham United Foundation

On Monday 14th May, Year 4 participated in a virtual visit from West Ham United Foundation's women's team. The topic was to 'Play the Right Way,' focusing on fairness, kindness and ensuring that football and sport is for all. The session was filmed by WHUF.

Please follow our school Twitter account for regular updates: <https://twitter.com/GladePrimary>

NSPCC Number Day

Thank you to everyone who contributed to the NSPCC Number Day. As a school, we raised £285 raised for this worthy cause.

Hockey Taster Sessions- Youth Academy

Hockey coaching for boys and girls aged 7 to 14 is available FREE OF CHARGE on Tuesday evenings from 18:30 to 19:45 at Old Loughts' during school term times throughout the hockey season.

The Youth Academy was set up in 2000 and is open to everyone regardless of whether they are a club member. This initiative is part of our aim to work within our local community and promote hockey for all. Please contact the club office on 0208 504 4010 for more information.

Play Live Words

Please encourage your child to log onto Education City and 'Play Live Words.' This is a new whole school initiative and an exciting resource that will help your child to explore new vocabulary, along with improving and applying their spelling strategies. It works similarly to Times Tables Rockstars, where children will have the opportunity to compete with their peers and across the school.

At the end of each half term, the three 'highest-scoring' children on the leaderboard will receive a prize. Your child's class teacher will also discuss this in class.

Have fun with words!

Attendance

You will notice that our attendance from last week is much lower than our usual weekly attendance data. This is due to Eid and some families who took an additional day off, on Friday.

Only one day off is authorised for Eid, additional days are unauthorised.

Well done to Year 1 for the highest attendance, last week.

Our target remains to reach 96% whole school attendance.
