Thursday 19th November 2020

Dear Parents and Carers,

Mental Health & Wellbeing

More of us are spending a lot of time at home and many of our regular social activities are no longer available to us. It will help to try and see it as a different period in our life and not necessarily a bad one.

It will mean a different rhythm of life, a chance to be in touch with others in different ways than usual. Be in touch with other people regularly on social media, Face-time, e-mail or on the phone, as they are still good ways of being close to the people who matter to you.

Create a new daily routine that prioritises looking after yourself. You could try reading more or watching movies, having an exercise routine, trying new relaxation techniques or finding new knowledge on the internet.

Make sure your wider health needs are being looked after such as having enough prescription medicines available to you.

Children in Need

Thank you to everyone who wore their PJs to school last Friday and donated money to Children in Need. We raised **£254.60** for this worthy cause.

Anti-bullying week

The theme for our Anti-bullying week is 'United against Bullying'; we are focusing on **three** articles - 2, 12 and 19:

- Thinking about non-discrimination (Article 2)
- Respect for children's views (Article 12)
- Protection from violence, abuse and neglect (Article 19)

Through practical activities, children will focus on some key Rights Respecting concepts - like dignity, respect, kindness, diversity and inclusion.

Parent Zone are holding digital drop-ins for parents.

Thursday 19th November at 4.30pm: <https://youtu.be/TjyAb4IXdG0>

Friday 20th November at 4.30pm: <https://youtu.be/mBWqXGKlmXs>

Article 2 - Non-discrimination The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

Article 12 - Respect for the views of the child Every child has the right to express their views, feelings and wishes in all matters affecting them, and to have their views considered and taken seriously. This right always applies, for example during immigration proceedings, housing decisions or the child's day-to-day home life.

Article 19 - Protection from violence, abuse and neglect Governments must do all they can to ensure that children are protected from all forms of violence, abuse, neglect and bad treatment by their parents or anyone else who looks after them.

Outdoor learning

Last week I shared a picture of Reception pupils collecting leaves to make their own 'Leaf Man'. Here are some pictures of their amazing work!

Schools for Success

The Mayor of London, Sadiq Khan, has celebrated the exceptional performance of Glade Primary School as part of his Schools for Success programme.

The school has been honoured for its commitment to reducing educational inequality and attaining exceptional results for children previously struggling academically.

Glade Primary School has been awarded a certificate for 'Diminishing gaps in Year 6 through quality first teaching'.

The Mayor of London, Sadiq Khan, said: "I'd like to congratulate the staff of Glade Primary School for their exceptional work. We created Schools for Success to recognise the positive impact that teachers, headteachers, teaching assistants, support staff and governors are making every day to support students and reduce inequalities, and this school's commitment to being supportive and inclusive sets a great example. Covid-19 has presented unforeseen challenges across our city but Glade Primary has done a fantastic job in maintaining excellence during a very difficult time. Working together we can make sure that no young Londoner is left behind".

Attendance

We want all children to have the best possible attendance at school to enable each and every child to reach their full potential.

There is a strong link between **good school attendance** and achieving **good results** for children. Children who frequently miss school may fall behind in their work which may affect their future prospects.

I would like to share our attendance data for last week.
