Sports day

On Monday 13th July, children in school participated in our first ever 'Bubble Sports Day'. The children were split into one of four new teams for the event, each named after a medal-winning British track and field athlete: Farah (Mo), Ennis-Hill (Jessica), Peacock (Jonnie) or Arnold (Hollie). There were ten activities that children competed in including running races, throwing and jumping events. The points from all bubbles were collated and the scores were as follows:

- 1st - Farah, 264 points
- 2nd - Arnold, 255 points
- 3rd Peacock, 242 points
- 4th Ennis-Hill, 227 points

The year 6 children raced against each other to declare the fastest boy and girl, as Owen and Dorcas, who have been awarded Glade Primary School sport medals!

Thank you to Ms Ellis for organising a fun day!

E-Safety virtual assembly with special guest Wes Streeting MP

We had a great virtual E-safety assembly on Monday led by Parent Zone and Google.

Children visited Mindful Mountain, Reality River, Tower of Treasure and Kind Kingdom to learn all about how to keep safe when online. We were also treated to a visit from Wes Streeting MP who spoke to us about life as an MP, what inspired him to go into politics and what he likes to do in his spare time! If you missed the assembly or would like to watch it again, you can view the whole thing using the link below.

Year 6- Christian Education Project: 'It's your move' secondary transition workshop!

Helen from the Christian Education project came to deliver an inspiring workshop with our Year 6 bubble groups on the theme of secondary transition. The session took place outside with appropriate social distancing in place. Helen told the story of David and Goliath and spoke about how the story linked to our lives today. The children had a chance to discuss their feelings about secondary school and Helen gave some top tips! Each took away a booklet entitled 'It's your move!' which has some great advice for the transition.
