

Impact of Sports Funding 2018/19

<i>Key Indicator Intent</i>	<i>Implementation</i>	<i>Impact</i>
Increased confidence, knowledge and skills of all staff in teaching and assessing PE and sport.	<ul style="list-style-type: none"> • Specific staff attended training days on gymnastics, games and using sports leaders effectively. • West Ham Foundation staff supported PE lessons for NQT and provided 2 hours of staff CPD in school. Specialist coaches taught a half-term of lessons with class teachers to increase knowledge. • Assessment materials handed out to staff. 	Staff report feeling more confident in their ability to teach and assess particular areas of P.E which in turn leads to better outcomes for pupils.
The engagement of all pupils in regular physical activity.	<ul style="list-style-type: none"> • Two hours of weekly PE timetabled. • A number of extra-curricular opportunities run by PTC Sport were made available to children free of charge. • Funding was used to provide Pupil Premium children with free membership to karate and gymnastics (usually chargeable). • Daily WoW Travel Tacker used to track active travel to school. 	<p>Children report enjoyment of PE and new skills and knowledge in new areas. They report feeling fitter after certain units of work.</p> <p>An increase of 14% in active travel to school (Gold TfL STARS award achieved).</p> <p>Obesity levels have been reduced and are below borough levels (Reception = 16%, compared with Redbridge's 21%; year 6 = 35%, compared with Redbridge's 40%).</p>
Broader experience of a range of sports and activities offered to all pupils.	<ul style="list-style-type: none"> • A number of extra-curricular opportunities run by PTC Sport were made available to children free of charge. • Specialist coaches to lead/support teaching of sport and well-being (Reception – Dance, Year 1 – basketball, Year 2 – Funtrition, Year 3 – Karate, Year 4 – Netball, Year 5 - squash, Year 6– Basketball) • During Well-being Week, children took part in different activities such as: Zumba, parkour, pound dance, gymnastics, tag rugby and netball. • Varied activities available at lunchtimes. 	<p>Teachers reported an increase in skills developed in key areas through coaches' expertise.</p> <p>Pupils report enjoyment of the week.</p> <p>Links made with local sports clubs with some children attending sessions outside of school hours.</p> <p>Middays report better behaviour at lunchtime when activities are available and children are less likely to be alone.</p>
The profile of PE and sport is raised across the school as a tool for whole school improvement.	<ul style="list-style-type: none"> • Regular assemblies on school and world sporting competitions and sportspeople, as well as active travel events. • Sports leaders developed to lead activities within their classes and across the school during PE lessons and break times. • Displays promoting learning, clubs, competitions and active travel to be put up. 	<p>Children are more aware of sport in the school.</p> <p>Parents agree that there are lots of clubs available to children.</p> <p>Behaviour of children is better for those involved in clubs and activities leading to better performance and behaviour in class.</p>
Increased participation in competitive sport.	<ul style="list-style-type: none"> • Year groups to host competitions at the end of a unit of work. • Continue with annual sports day but with a greater range of activities. • Children from varied year groups and of different abilities to represent the school in borough competitions. 	<p>Achieved silver level in School Games Award.</p> <p>Children from year 3, 4, 5 and 6 and SEND children represented the school.</p> <p>Links made with other schools.</p>
