Dear Parents and Carers,

Mental Health & Wellbeing

Due to Government Funding in the Adult Education Budget, we have several free online accredited courses available to parents to help them better understand some key issues around young people's mental health and wellbeing.

Follow the link below for easy enrolment:

Thank you so much to all those who donated to Young Minds charity for the #HelloYellow campaign. We raised a whopping **£264.84!** The children looked like rays of sunshine in their yellow outfits and enjoyed an assembly and short clips that will help them to take care of their own Mental Health and Wellbeing.

About Street Tag

We are delighted to announce that Glade Primary will be participating in the *Street Tag Redbridge Primary Schools' Leader board* Season 1 from **19th October 2020 to 8th Jan 2021**.

Street Tag is a family-friendly game that turns your local area into a virtual playground via the Street Tag app. Once signed up, the school community can earn rewards for outdoor physical activity, such as walking, running, and cycling in Redbridge.

During the Street Tag experience, families, staff and children record their distance by scanning virtual tags (each tag are worth 10 points on average) at various locations, converting their steps done indoors or outdoors into points and watching the total distance (points) accumulate to climb up on the school leader board.

There will be prizes for the top 3 schools on the leader board.
 £150 1st Prize towards School Parent Teacher Association
 £100 2nd Prize towards School PTA
 £50 3rd Prize towards School PTA

Watch <https://www.youtube.com/watch?v=xfgs6asO0I&feature=youtube> for more information!

Internet Safety- Parent Zone

'Parent Zone' is offering guidance for families on how to use the Internet safely. We are all increasingly using the Internet, and it is ever more important to be aware of some of the issues that can arise. It also celebrates the use of learning on-line with fun activities and practical strategies to support parents. There are virtual workshops you can book and join in with fun filled resources.

Digital Parenting Week is all about celebrating parents and all the hard work they do. It takes place from 26th-30th October; register to show your support and download your free ideas pack:

Parent training workshops

A big thank-you to everyone who completed our parent training questionnaire. We have put together a programme of training based on your responses. This will commence mid-November and full details will be sent out by Parent Mail after half term.

Year 5 Idling workshop

Following on from the 'Idling' workshop, Year 5 have designed posters which will be used to create banners to hang on our school gates.

Please ensure that you do not leave your engines idling when you park to pick or drop off your children.

PictureNews

Please visit our school website to see the PictureNews resources and engage in discussions with your child/ren about current affairs, linking them to our British Values and UN rights of a child. The PictureNews resources are updated weekly on the website under the News tab:

<https://www.glade.redbridge.sch.uk/newspictures>

In this week's news the children learnt about how Sir David Attenborough has celebrated the efforts of young people who have "woken up the world to the threat of climate change." Sir David became the fastest person to have one million followers on Instagram recently after he joined the social media platform to reach out to younger people, many of whom support his message of protecting the natural world. As a gold rights respecting school, our children explored the importance for young people to care about the environment and wildlife.

Our Streets

Glade Primary was successful in the Bulb Giveaway Scheme in Redbridge. We will be planting our spring bulbs in the next two weeks. Unfortunately, we can't ask for help from the much-appreciated parent volunteers, but you can still join in with your community and streets.

This year the Big Planting Weekend will take place between Friday 16th and Sunday 18th October. What better way to plant? Make it a big and fun community event by joining other Redbridge residents and schools in carrying out your planting during these dates! The borough-wide planting event aims to bring awareness to the importance of making our neighbourhood a better place. For other environmental-community schemes, please sign-up to the Our Streets monthly e-newsletter and visit their website at <https://www.redbridge.gov.uk/our-streets/>

Attendance

We want all children to have the best possible attendance at school to enable each and every child to reach their full potential.

There is a strong link between **good school attendance and achieving good results** for children. Children who frequently miss school may fall behind in their work which may affect their future prospects.

I would like to share out attendance data for last week.

Well done to Year 3 who had the highest attendance last week.
