Friday 12th June 2020

Dear Parents and Carers,

Risk assessment and Covid-19 home school agreement

Both of the above documents are available on our school website under 'Phased Re-opening' on the homepage, for you to access and read.

Key worker parents

From 15th June parents and carers dropping off children in the morning are requested to line up outside the front gate on Atherton Road and wait for the gate to be opened by a member of staff at 8.45am. Please use the markings on the ground to ensure that you are maintaining social distancing.

Year 6

We have contacted the Year 6 families who will be returning to school from Monday 15th June. If you have not had a telephone call confirming a place in the bubble, please do not send your child in to school. Only the children who received the confirmation will be allowed on the school premises. Please call the school office if you would like to add your child's name to the next bubble and we will inform you when it will start.

Year 6 children will use the rear entrance on Harewood Drive. Please line up along the markings on the ground, ensuring social distance and wait for the gate to open an 8.45am. Children will use the same entrance at the end of the school day at 3.30pm.

School meals

If your family are in receipt of FSM and your child is in school, they will receive a free school meal if you wish. All other children are expected to pay for any school meals they order. There may be some changes to dinner menu depending on stock availability when Cook places her weekly order.

Families receiving the Edenred vouchers will continue to be getting them via email.

Names on work

When uploading your child's work on Google drive, please remember to write their name as it is sometimes difficult to identify who the work belongs to.

Hall of fame

Please share the 'Hall of fame' videos with your children to celebrate all the good work and to motivate them further:

**BLACK LIVES
MATTER**

Black Lives Matter

As the world stands up and speaks out for social justice, more parents are having conversations amongst themselves and with their children about the past, present, and where we go from here. Please use the resources on our website to support your conversations with children:

<https://www.glade.redbridge.sch.uk/newspictures>

Teachers will also be teaching lessons on Zoom to address some of the issues raised and for children to understand why people across the world are protesting. Please encourage children to create posters on Black Lives Matter and upload for us to share on our website.
