Dear Parents and Carers,

Mental Health & Wellbeing

Please follow the link below for advice and guidance for parents and carers to help you support a child experiencing an episode of poor mental health. There is also some excellent tips on reducing the impact of conflict between parents/carers on their children.

<https://www.annafreud.org/parents-and-carers/>

The **AFC Crisis Messenger text service is a free**, confidential, 24/7 text message support service for anyone who is feeling overwhelmed or is struggling to cope. The service is staffed by trained volunteers who will work with you to take your next steps towards feeling better.

They can help with issues such as anxiety, worry, panic attacks, bullying and depression and are there to talk at any time of day or night. If you need support, you can text **AFC** to **85258**.

One of the most common causes of concern for parents is the amount of time that their children wish to spend on computer games. With the summer holidays looming and the promise of more time at home once again, I was delighted to find this useful website. Not only are there many suggestions of ways to wean your children off of their games consoles but there are also some articles on health and wellness.

Year 1 Gardening

Children in Year 1 did some planting this week. They used the gardening tools that we bought with our RHS award money. They then used the pumps on the new water butts to water the plants with the rain collected this week.

Athlete Event- Sean Rose

To tie in with our Olympic and Paralympic theme for well-being week, next week, we will have a visit from Paralympian Sean Rose and the Sports For Schools team who will run a short circuits activity for each year group.

To sponsor your child for this activity, please complete the form which they should have taken home last week. Alternatively, you can use the link below to create your own fundraising page online. You will need to 'Set up a Fundraising Page'. Proceeds are split between the school and the charity which supports up and coming athletes. Thank you to those who have already donated. Please encourage family and friends to donate too.

Year 6 Transition Workshops

Last week, our Year 6 children participated in two different transition workshops.

One was a performance from Redbride Drama Centre which was a modern retelling of the Jungle Book story focussing on themes of transition, dealing with change and loss, and maintaining a positive outlook.

The second workshop was a talk from Helen at The Christian Education Project who is a former secondary school teacher. Helen used the story of David and Goliath to explore themes linked to secondary transition. She also hosted a very useful question and answer session.

Times Tables Rock Stars

Well done to 6A for being on top of the TTRS leader board!
