

What's Going on at Glade?

It was lovely to see so many families attending the PTA Spring Fair yesterday.

We were blessed with the weather. Thank you for your continued support for our school.

I really enjoyed helping my mum sell cakes at the fair. I also enjoyed throwing the ball at the inflatable target! Dena 5K

The International Food Sale was a huge success.

It was fun working at the glitter tattoo stall because I liked seeing the children's smiles- Mya 6JM

The inflatables were very popular! There were lots of races but unfortunately the teachers didn't get time to take part! Maybe at the summer fair?!
Mr Merchant

I liked getting my henna done by Miss Sohail. She is very creative.

Thank you to our dedicated PTA volunteers.

I got my hair braided. The lady used yellow gems and multi-colored braids. My hair is still full of glitter!

I liked all of the bouncy castles, especially the one with the punching bags!

I had so much fun jumping on the bouncy castles!

I liked hanging out with my friends at the fair. The bubble tea was delicious- Nala 6JM

Chefs- behind the scenes!

Ticket selling was a brisk business.

Mr Qasim is supposedly on a diet- however, that didn't stop him from enjoying an ice-cream!
