Dear Parents and Carers,

### **Year 6 workshops in the forest**

Year 6 embarked upon a poetry journey this week using the Glade Primary School Forest. The sessions were run by Jonny Walker and the children were accompanied by our teachers. The sessions will run for a period of six weeks. They are using the natural surroundings of the wood to draw inspiration for writing and really enjoyed being outside and working on their writing. The teachers were also lucky enough to have a training session so that similar work can be done with the other year groups. Examples of Jonny Walker's work can be found here:

### **Mental Health & Wellbeing**

As you may be aware, we are currently working to achieve the Wellbeing Award for schools. In order to evaluate our current provision, we need your input. Your views are important in helping us understand what we are doing well and how we can do even better. Please follow the link below to complete the survey. It should only take a couple of minutes. There is no need to sign up, just answer the questions.

If you have any queries about this survey, please contact Mrs Jones. Your views matter and are very important to us.  
**Thank you!**

Evaluation submissions are valid between: **15/09/2020 - 30/09/2020**. Your submission will not be accepted outside of these dates.

Please copy and paste the following web address to access the survey:

### **Jeans for genes day**

Thank you for your contributions for the Jeans for Genes day. The children looked super in their denim (and so did the staff!)

We raised **£152.22** for this worthy cause. This donation will help to fund research into genetic disabilities.

Please visit <http://www.jeansforgenesday.org> to see more about this charity and hear some heartfelt stories from children and their families who live with these conditions every day.

## Try Before You Bike

Redbridge have launched a new bike purchasing scheme operated on their behalf by [Peddle My Wheels](#), to encourage more cycling around the borough and London. Please click on the link below for further information:

## Act now to avoid local lockdown

When dropping off or picking your child/children up from school gates, please remember to keep your distance from other parents. Staying at least 2 metres apart from other parents can help limit your risk of getting coronavirus. Consider wearing a face covering at drop off/pick up to help if you can't stay 2m apart. Remember the golden rules of #Hands Face Space. For more information see <https://www.redbridge.gov.uk/coronavirus-information-hub/>
