Dear Parents and Carers,

Mental Health & Wellbeing (Article 24)

How quickly the weeks have passed! Now that the Summer break is looming, it is an ideal last chance for parents and carers to grab some 'Me' time before the end of term!

Futurelearn is a great online training hub offering a wide selection of short courses that could help to boost your skills, confidence, enjoyment and employability. Whether you want to upskill to boost your career or gain new knowledge on different topics, take a look at the wide range of courses on offer. Futurelearn work with leading universities and organisations around the world offer learners relevant, high quality courses. It is free to join and study most Futurelearn courses by choosing the 'join with limited access' option: <https://www.futurelearn.com>

This week, we would like to share some useful sources of help and support that are less well known. Beat are an online charity which will support anyone affected by eating disorders, anorexia, bulimia, EDNOS or any other difficulty with food, weight or shape. Support is also available for families of those affected:

Safeguarding

Bullying is when someone is being hurt either by words or actions on purpose, usually more than once, feels bad because of it, and has a hard time stopping what is happening to them. It can happen at any time and it can happen in any place. Bullying takes place in many types of relationships. It is behaviour that can make people feel hurt, threatened, frightened and left out and it can happen face to face and online. Bullying behaviour can harm children physically or emotionally and, although the actual behaviour might not always be repeated, the threat that it might be sustained over time, typically by actions: looks, messages, confrontations, physical interventions, or the fear of these.

At Glade, we have a policy to help staff spot any signs of bullying and step in to stop it happening. This is also designed to prevent bullying happening in the first place. There is also a child friendly version of our anti-bullying policy created by our Article 12 group.

As with any concerns, these should first be raised with the class teacher. If this needs to be raised further, it is passed to the Phase Leader. If it requires any further escalation, it is passed to the Deputy Headteacher or Headteacher. Every child has a right to feel safe in school. 'We are a listening school, we are a telling school.' However, if children feel unable to voice a concern, they can use the Bubble Boxes which are located in classrooms and across the school.

Article of the week

Article 31 – Leisure, play and culture. Every child has the right to relax, play and take part in a wide range of cultural activities.

Picture News (Articles 17 and 5)

Through the weekly Picture News assembly, children learn about our world, develop independence, resilience, respect and unlock their own drive and passion for learning. The weekly Picture News is shared on our website:

<https://www.glade.redbridge.sch.uk/newspictures>

Please spend some time asking your child about what they have learnt and discussed during their Picture News session. Each week, there is a link to British Values and the UN rights of a child. In the story this week, children learnt that four children have been found alive after surviving a plane crash and spending forty days alone in Colombia's Amazon jungle.

This week's question asks children: "What is bravery?"

Learning Beyond the Classroom

Year 4 have been combining DT and forest skills for their Young Forester's Award by practising their knots and weaving in our outdoor areas.

Year 1 Learning Outside the Classroom

This term, as part of our Science lessons on the changing seasons, Year 1 have been looking for signs of Summer. In Geography we drew maps of the school using a key to identify the main features. We also made the best of the recent hot weather to enjoy story time under our fabulous Glade oak tree.

Finally, this week, we kicked off 'Green Week' by going into the forest to do some research for Max (the character from the book 'Where the Wild Things Are') and then using that information to persuade him to come and have an exciting adventure in our woods.

Glade PTA Summer Fair

Thank you to everyone who supported the Summer fair on Saturday. It was great to see such high attendance. Thank you to the PTA for organising and leading the event so smoothly. The total amount raised will be announced shortly. All money raised goes back to school to support your children.

Sports' Week and Sports' Days

Sports Week 2023 concluded last week with LKS2 and UKS2 Sports' Days. Great fun was had by all. Medals for the boys and girls who placed 1st, 2nd and 4rd in each class and certificates for the fastest boy and girl from each key stage will be presented soon.

Thank you to all the parents who supported our Sports' Week events.

Attendance- Article 28

It is the legal responsibility of each parent/carer to ensure that their child attends school. Attending school aids intellectual, social and emotional development. All children whose attendance is poor will be treated as vulnerable.

We want all children to have the best possible attendance at school to enable each and every child to reach their full potential.

Well done to Years 4 for the highest attendance last week.
