

What's going on at Glade?

Artwork is Rocking at Glade!

At Glade, we consistently work on promoting pupil voice (Article 12), as we know that children have the power to bring about crucial changes, thinking about what they want their future to be like. Each year group explored and researched a diverse range of artists to help develop their art skills. Recording the processes in their sketchbooks. Our Art Gallery shows off some unique and beautiful pieces created by our own in-house Artists! (Article 31).
