

**Welcome to the
Year 2 Summer
term class talk**

Thank you for your support with
our transition back to school.

Class Teacher (First point of contact)

Email: parentinfo@glade.redbridge.sch.uk

Phone: 020 8708 0200

Phase Leader:

Nursery and Reception - Miss Miller

Yr. 1 and 2 - Ms. Willers

Yr. 3 and 4 - Miss Craggs

Yr. 5 and 6 - Mrs Jain

**Passing on
concerns**

Mr Merchant (DHT) or Mrs
Hussain (HT)

Year group specific dates:

Library -

**P.E. Days: Thursday Outdoor P.E
Friday Funtrition**

**Please ensure children are in Glade P.E kit or dark coloured tracksuit.
Trip- 5th July 2021**

Monday 3rd May - Bank holiday - School closed

Thursday 6th May - Mayoral Elections - School closed by remote learning will be provided.

28th June - Well-being week

Half term - 31st May - 4th June

INSET Day - School closed to pupils - Monday 7th June

2nd July - Sports day AM KS2 PM KS1

15th July - Exhibition of work and reports out

Last day of term - Wednesday 21st July

Whole school dates

Curriculum Plan

History - Comparing Queens of the United Kingdom

- We will be learning about life in The United Kingdom during their reign and how life has changed since.
- **Geography**- United Kingdom

Design and Technology - We will be learning about healthy eating and creating a healthy snack.

R.E - Continue learning about Islam

PSHE- Relationships (families and friendships)/
Investigations

Science- Plants

Art- Looking at various artists

How to help
your child in
Maths.

- **Measuring** things around the house then comparing the lengths using cm and m. Which one is longer/shorter? You can also extend their knowledge by working out the difference between each object.
- **Mass and capacity**- Using units g, kg, ml and l, for example looking at recipes. How much sugar do we need? How much water?
- **Telling the time**- Asking questions about time. For example, what time do you go to school? Is it time to go to school yet? What time is it?
- **Temperature** - Using Celsius ask questions such as: What temperature is it today? How hot does the oven need to be before we cook? What temperature do you cook a cake at?
- **Position and direction** - Asking for directions.

Measurement

I can:

- choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm); mass (kg/g); temperature ($^{\circ}\text{C}$); capacity (litres/ml) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels
- compare and order lengths, mass, volume/capacity and record the results using $>$, $<$ and $=$
- recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value
- find different combinations of coins that equal the same amounts of money
- solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change
- compare and sequence intervals of time
- tell and write the time to five minutes, including quarter past/to the hour and draw the hands on a clock face to show these times
- know the number of minutes in an hour and the number of hours in a day

Geometry - Position and Direction

I can:

- order and arrange combinations of mathematical objects in patterns and sequences
- use mathematical vocabulary to describe position, direction and movement, including movement in a straight line and distinguishing between rotation as a turn and in terms of right angles for quarter, half and three-quarter turns (clockwise and anti-clockwise)

Reading

Decoding

Fluency

Read widely and regularly

Comprehension:

Vocabulary

Inference

Prediction

Explanation

Retrieval

Summary

Writing

Language - development of vocabulary

Pen licence

Use of grammar

Sentence structure

Editing and re-drafting

Homework - MyMaths and Education City. Out on Friday and due in Wednesday. Please speak to your child's class teacher if you have any questions about MyMaths or if your child has misplaced their login details.

Spellings - Test is on Friday.

Support at home
