Picture News- Article 17

Through the weekly Picture News assembly, children learn about our world, develop independence, resilience, respect and unlock their own drive and passion for learning. The weekly Picture News is shared on our website:

<https://www.glade.redbridge.sch.uk/newspictures>

Please spend some time asking your child about what they have learnt and discussed during their Picture News session. Each week, there is a link to British Values and the UN rights of a child. In the story this week, children learnt that a recent study, conducted by the British Medical Journal, has found that trampolining is to blame for half of all activity-related UK Accident and Emergency hospital admissions.

This week's question asks children: 'Should there be more rules for trampolines?'

Outdoor Learning- Year 4

Year 4 used our shaded woodland to search for information about the Saxons. They took part in a treasure hunt searching for clues to answer questions about the beliefs and customs of the Anglo-Saxons. It was a lot cooler than in classrooms and the children worked well in teams.

PTA Summer Fair 2022

A sincere thank you to our wonderful PTA who organised a very successful Summer Fair last Saturday. The planning and preparation begun many months ago, where they started liaising with potential sponsors. Leading up to the fair, they carried out many behind the scenes meeting and actions. On the day, PTA were in school from 9am and did not leave till everything was put away, gone after 7pm! It is because of the dedication and goodwill of our PTA that the community is able to enjoy such amazing events. It really was a community event; it was lovely to see so many of our ex-pupils joining us!

Congratulations to our 'Attendance Award' winners, who received their certificates in assembly.

Attendance- Article 28

Regular school attendance is an important part of giving children the best possible start in life. The aim should be to attend 100% of the time. Pupils who miss school frequently can fall behind with their work and do less well in exams.

Attendance last week is lower than usual due the high number of children off with chicken pox.

Well done to Year 6 for the highest attendance!

Further to last week's newsletter, goodbye and good luck to Miss Porter, Ella and Chloe. They will be greatly missed.

On behalf of staff and governors, I would like to thank you, our wonderful parents, for your continued support. I wish you a happy summer break- stay safe.
