Winter Wheelers Challenge 8th-14th February 2019 To encourage smarter and more active travel to school by our students and parents, we are taking part in the Redbridge Winter Wheelers Challenge. This challenge will run from Friday 8th-Thursday 14th February, during which time we want to encourage as many students as possible to travel to school by cycling or scooting. Every day that your child cycles or scoots to school during the challenge, they will be given a raffle ticket which will enter them into a prize draw at the end of the week. More cycling or scooting trips mean more raffle tickets and an increased chance of winning a prize. Furthermore, the children who cycle or scoot the most during the challenge will be entered into a draw to get a trip to the Lee Valley Velopark at Queen Elizabeth Olympic Park! (KS2 only) and the school with the biggest increase in scooting numbers in Redbridge will win a brand new scooterpod! Let's get wheeling and see how any journeys to school we can make by bike or scooter!

Request for Leave of Absence during Term Time Pupils attend school for a maximum 190 days each academic year. Full attendance is Vital for your child's educational progress. The school regards absence as a very serious concern and it is a proven fact that there is a clear link between poor attendance at school and lower academic achievement (Department for Education (DfE, 2012). The DfE (2013) state that leave of absence requests for holidays should not be granted. The school will only grant leave in term time and in the most exceptional circumstances for which evidence will be requested. Request for leave during term time must be applied for in advance. Leave taken without permission of the Head Teacher will be recorded as unauthorised and you will be liable to pay a Penalty fine of £120 per parent, per child (£60 per parent, per child if within 21 days).
